## Celebrating 25 Years of GRT

Sustained transit investment over 25 years

- Connected Cambridge to Kitchener and Waterloo
- Specialized transit serves Waterloo Region
- Express service with ION BUS and LRT
- Township services for Wilmot and Woolwich
- Decarbonization with hybrids, electric bus pilot
- Affordable Transit Program
- Shared micromobility program and new trails

#### 25+ million riders annually

- . . . . . . . .

### Purpose

- Prepare for and grow towards 1 million, while responding to current ridership
- Align GRT services, policies, and programs to the Region's Strategic Plan
- Operationalize transit priorities identified by the Region and Area Municipalities

- Build on the success of ION light rail and its impact on Waterloo Region
- Guide staff recommendations during the Region's annual Plan and Budget process

TSD-TRS-25-005

## **Guiding principles**

#### Make transit the first choice for more people:

- How can we make transit easier to use?
- Where and when can GRT serve the community better?
- How and where GRT should prioritize frequency and speed?

#### **Transit freedom**

• Improving where you can go and what you can do in a one-hour trip

### GRT's Business Plan

• • • • • • • •

Township Transit Strategy

MobilityPLUS Kiwanis Transit Plan

### **Community engagement**

- 2,500 responses to GRT surveys
- 450 ideas contributed to a proposed service map
- 12 dedicated workshops with hundreds of participants
- Transit staff workshops and in-person sessions
- Hosted and attended more than 30 events across the Region, with pop-up sessions held at transit stations
- Partnered with the Region's Public Health's Neighbourhood Nursing team to hear new voices in each municipality
- Additional engagement sessions held for the MobilityPLUS Business Plan and Township Transit Strategy to ensure specific perspectives were represented

TSD-TRS-25-005

### What we heard

- Improved frequency
- Inter-municipal transit trips
- Service to new areas
- Independent & empowered services
- New and enhanced Township services
- Enhanced accessibility
- All-day, weekend and overnight services
  - Affordability

### **Benefits for the region**

#### ~400,000 people and 200,000 jobs

• Within 800 metres of the proposed Frequent Transit Network

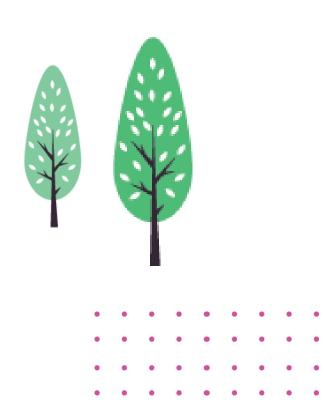

#### New coverage

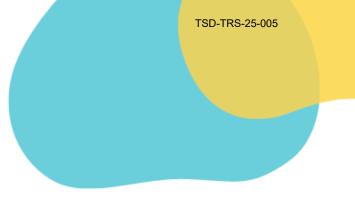

- Cambridge industrial areas, Southwest Kitchener, North Waterloo
- Transit in every township

#### **Compared to today**

- The average rider can reach ~38,000 more people and 15,000 more jobs within a one-hour trip
- Commuters can save over 20 minutes for Cambridge to Waterloo trips

# Transit trips become more competitive and more affordable compared to cars or rideshare
