

## Appendix A: Immunization of School Pupils Act Compliance Rates for Reportable Disease Groups

The table below provides the percentage of pupils who have up-to-date immunization records or valid exemptions on file with Public Health (i.e. are compliant) for each disease group.

Disease Group	School Level(s)	Compliance Rates (per cent)*		
		2017-2018	2021-2022	2022-2023
DPTP (Diphtheria, Pertussis, Tetanus, Polio)	Elementary	97.7	75.8	72.1
	Secondary	96.7	59.1	73.9
MMR (Measles, Mumps, Rubella)	Elementary	98.7	78.6	75.0
	Secondary	99.4	95.9	96.0
Meningococcal Disease	Elementary	99.8	81.4	80.1
	Secondary	99.6	91.3	88.3
Varicella	Elementary and Secondary	96.1	71.0	70.6
Hepatitis B	Grade seven	69.8	18.8	60.7
Human Papilloma Virus (HPV)	Grade seven	62.5	6.4	52.9
