

Item 8.2

From: [Loma Aberdein](#)
To: [Bery Vrbanovi-kitchener](#); [Premier of Ontario - Doug Ford](#); [Regional Clerk](#)
Subject: Preserve our countryside line
Date: April 15, 2024 10:24:21 AM

I wish to go on record that I am NOT in favour of the expropriation attempts of the 770 acres of land bound by Highway 7 and 8, Nafziger Road, Wilmot Centre Road and Bleams Road OR the stripping of the Region of Waterloo's planning authority which will threaten the region's Official Plan and the preservation of the Countryside Line.

We can and must do better,
